

EPIC: EXCELLENCE IN PHARM. D, INTERNSHIP AND CLERKSHIP

Once you have joined **Pharm.D**, the only way out is to do it well. **Pharm.D** is a complete program in itself. It distinguishes you from other pharmacy/life science graduates and if you do it well; there is no requirement for any other additional training. The module is designed to address the core components of **Pharm.D** i.e., **Internship, Clerkship and Project Work**. The module will bring a **Transformation** in the way you approach **Pharm.D**, by providing a perfect blend of **Knowledge, Skills, and Attitudes** from **Clinicians, Clinical Pharmacists, Researchers and Healthcare Consultants**.

THEME: SETTING THE RIGHT FOUNDATION

1. Transition in the practice of Pharmacy - Pharmaceutical Care Concepts
2. Enhance your Perception - Transform the way you read
3. Pathophysiology and Pharmacology as the basis for Pharmacotherapy
4. Communication Skill
5. Leadership

THEME: KEY FUNDAMENTAL SKILLS

1. Interpreting the Standard Treatment Guidelines
2. Prescription Audit
3. Pharmacist Interventions in Resolving Drug Therapy Problems
4. Pharmacotherapeutic Calculations
5. Dose Adjustment in Renal Impairment
6. Prevention and Management of ADRs

THEME: ADVANCED PRACTICE CONCEPTS

1. Drug Therapy Individualization in TB
2. Introduction to Antimicrobial Therapy
3. Antimicrobial Stewardship
4. Pharmacogenomics
5. Basics of Research Methodology

THEME: THE PHYSICIANS PERSPECTIVE

1. Medicine Through the Eyes of Clinician
2. Overview of ICU care

THEME: LEARN GLOBALLY, IMPLEMENT LOCALLY

A minimum of 3 guest lecture / interactive sessions will be organized with Pharm.D graduates working Abroad.

MODULE STARTS ON: 13th Nov 2021

TIME: 7:30- 9:00 PM, 4 Days in a week.

MODE OF CLASSES: Online; Google Meet; Live.

TOTAL DURATION: 50 hours.

Entire Schedule will be shared shortly

DR. KARTHIK RAKAM: +91 7569692853

Before you decide to join: **THINK!**

1. Is this module necessary?
2. Will I learn anything significant, more than what I already know?
3. Can I learn them on my own?
4. Am I doing my Internship and Clerkship effectively?
5. Why am I joining? Certificate or Knowledge?

RESOURCE PERSONS

**DR. KARTHIK G S
DM (Nephrology)**

President Dr. Sam G Moses
Gold medalist in Internal Medicine

**DR. ASHWANI DHAR
MD, DMI**

Co-founder — Avenida
Senior Vice President at
KardioGenics, USA

**DR. SUNITHA C SRINIVAS-
PhD, PGDHE**

Co-founder, Kaum Health

**DR. KEERTI BHUSAN
PRADHAN
Ph.D**

Co-founder — Avenida
Healthcare Consultant and Advisor
Public Health Management Expert

**DR. KARTHIK RAKAM
Pharm.D**

Co-founder and CEO — Avenida
Medical Advisor, Arintra

**DR. NAVEEN KADUMURI
MBBS (OSM)**

MD Radiology (NIMS)

**DR. NEHA TABASSUM
Pharm.D, PhD**

Research Scientist and Teaching Fellow
Imperial College, London UK

**DR. SATYAVARDHAN RAO
Pharm.D**

Pharmacogenomics Consultant,
Mapmygenome

**DR. ADITYA SAI
RAMAKRISHNA
Pharm.D**

Clinical Data Analyst - I
Atlantia Clinical Trials, Ireland
